

CK-450/650 ON/IN-WALL SPEAKER OWNER'S MANUAL

Dear customers, thank you for choosing and using POLINA CK Series on/in-wall speakers. please read the manual carefully before using, so as to avoid unnecessary losses caused by Installation operation errors.

! IMPORTANT

- Do not disassemble the speaker without permission. if there is any abnormality, please contact the seller immediately;
- Never use the product in damp settings ;
- Avoid used inflammables and solvents to clean the product;
- Avoid touching the speaker elements ;
- Always let the product reach room temperature before plugging it in, condensation may arise in the electronic circuitry when moving the speaker from cold to warm surroundings . such moisture may damage the speaker's components. ;
- Please make sure that the amplifier is off before connecting the speaker or cleaning the speaker;
- Keep the speaker terminals away from any other metal part to avoid short-circuited ;
- Please disconnect the amplifier or the speaker connection in thunderstorm ;
